

## **Stocking Stuffers**

### **K-Kids Holiday Service Project**

We would like to give filled stockings to members at Special Populations (a facility in Cape Coral that offers programs for adults with intellectual disabilities).

Between now and December 18, please start donating towards this great holiday project. You can donate stocking stuffers. Please drop off any donations to your classroom's K-Kids collection box between now and December 18. K-Kids will be dropping off these stockings to Special Populations on Friday, December 21.
