

Stocking Stuffers – K-Kids Holiday Service Project

The Oasis K-Kids club would like to give filled stockings to members at Special Populations (a facility in Cape Coral that offers programs for adults with intellectual disabilities). Donations will be accepted in your child's classroom from December 1 – 18. In addition, there will be a special collection box at the Breakfast with Santa event on Saturday, December 14. K-Kids will be dropping off these stockings to Special Populations right before Christmas.
