Great Music • New Friends • Good Exercise • Lots of Fun

We are now accepting winter registration for the **Lee County Junior Drill Team**, west zone, grades kindergarten through middle school. The drill team consists of two sessions per year, fall and winter. The children will perform this winter at a retirement home, community events, Edison festival of light junior parade, and the Southwest Florida Jr. Drill Team Competition. Participation will help improve your child's confidence, coordination, social skills and leadership abilities regardless of her ability or disability. The drill squads are taught by people who encourage each girl to be her best and give the needed positive reinforcement.
