

Welcome to the Oasis Transportation Department

June 15th is the deadline to request and fill out the bus request form found on the school website. There is no guarantee of seats being available for all who apply. Those unable to make the deadline as well as those who apply during the year can still register and it will take 2-3 weeks to process the request. As always, seating is limited.

Students will receive their route number and approximate time of arrival in their open house packet on August 6th from 5-7 pm. We look forward to a safe and pleasant transportation experience as we prepare for back to school. We will be taking recommended safety precautions on our buses and will update as necessary. We will post any necessary transportation information on the website in the parent portal under the transportation heading.

Thank you for choosing the Oasis school system, we are honored!
