

Dear

Parents,

In an effort to get more people involved, the PTO is proposing that the “Family Fun” events are organized by a committee at each grade level in 2018-2019. This already occurs for Boo Hoo Breakfast and the 5th Grade Promotion Party so we are simply expanding the idea.

Here’s the concept....

- A committee is made up of parents from specific grade to work on ONE event.
- PTO Board Members will offer support but the committee is responsible for organizing the event.
- Parents can be involved multiple years but get the benefit of working on a different event each year.
- We have history on most of these events but new groups will bring new ideas.
- Committee members get the benefit of meeting other families in the same grade while organizing an event that the entire school can or grade level enjoy.
- Ask friends in the same grade to join you since that will always make it more fun!

Parents, what we need from YOU...

Sign up to be on the organizing committee at

Please note that if the grade doesn’t host the event, we will reach out to others in the school to plan. If no one volunteers, the event may be subject to cancellation due to lack of interest.

Committee Leads	Grade Level	Last Name
Family Fun Night (open to ideas)	Kinder	Committee
Kinder Welcome Committee & Boo Hoo Breakfast	1st Grade	Committee
