

YOU'RE INVITED

BECOME A MEMBER OF OUR SCHOOL ADVISORY COUNCIL

What is the School Advisory Council?

The School Advisory Council (SAC) is a peer elected, collaborative team of people that work to improve student achievement, effective teaching in the classroom, and parent and community engagement in the educational process.

Who is on the SAC?

The SAC must include a simple majority of family members, along with the school principal, school staff, and community members.

SAC's have certain criteria they must fulfill:

1. SAC must include all stakeholders: this includes the school principal, parents, school staff, and community members.
2. SAC meetings must be focused around strategic conversations instead of fundraising or event planning. Strategic conversations require examining school data and brainstorming solutions to issues affecting the school. A SAC is an opportunity for parents, faculty staff, students, community members, and the school principal to collaborate, address issues, and develop strategies for strengthening the school and academic achievement.
3. Members of SAC can be members of other school community groups.
