Our Vision and Mission

Our Vision:

“Four Schools, One Vision”

We believe that everyone can succeed in a nurturing and secure learning environment that is supported by diverse and meaningful community partnerships.

Our Mission:

Our mission is to create a K-12 system that educates students to be responsible, critical thinkers who are prepared to successfully compete in a dynamic global workforce.

Agenda for Today:

01 | SAC Elections

02 | FAST Data

03 | Student
Perception Data

SAC Chair/Secretary Vote

Who serves as chair of the SAC?

Any member can be elected to serve as chair. The Bureau of School Improvement recommends that neither a principal (in order to invite greater shareholder involvement) nor a student (due to limited experience and maturity) fills this role. Some schools elect co-chairs so that a parent or community member and a school-based member can lead jointly.

Who serves as the SAC secretary?

Any member of a SAC may serve as the council's secretary. Depending on the SAC's bylaws, the secretary may be appointed by the chair or selected by the committee through majority vote.
